

FROM THE KALAHARI

Water & salt are the essence of life: mineral rich, unpolluted, chemical free salt is essential for our health & well-being.

Oryx Desert Salt offers the world's purest sustainable salt as the new global brand.

MINI TRAVEL SHAKERS

Salt is the smallest ingredient in any meal, but it makes the biggest difference.

Making a healthy pollution free, sustainable salt accessible to everyone - means we're contributing to their health as well as contributing to the environment.
